Gary:

Thank you so much! I received them and passed them on. We will make the necessary corrections on the next 1900-55.

This was my mistake on why you did not get 11/30/2015. I was working with Steve and processed the 12/4/2015 1900-55 but did not forward the 11/30/2015 1900-55, that I received at the same time. I also did not get any of the documents you transmitted yesterday. They were stripped during the transmission process by our antivirus program. Please call me when you have time if you need additional information.

This is the first I have seen a 11/30/15 1900-55. As you know, I cannot approve labor hours after the period of performance (10/31/15). Why can't you guys send me the 1900-55's in order? I cannot approve the labor hours. I could question the labor costs and request reversal on subsequent 1900-

55.

Thanks

We are getting ready to put together an invoice and we have two 1900-55s without signatures 07 17 2015 and 11 30 2015. I have reviewed and signed them. Please review, comment and sign. I am currently on a site in Hanover, NH so if you have any questions feel free to call.
